### IN THE SOCIAL WORLD

#### Interest Shown in Senator Beveridge's Engagement.

#### WEDS MISS EDDY IN JUNE

Miss Corinne Robinson will be married to Dr. George H. Draper at Henderson Home—Russian Ambassador and Baroness Rosen to be gone until next winter.

Washington naturally is much interested in the forthcoming marriage of Miss Katherine Eddy, of Chicago, to Hon. Albert J. Beveridge, United States Senator from Indiana.

The fact of their engagement, though not formally announced, has been known to personal friends for several weeks. Miss Eddy is well known in society here. She and her mother spent the season in Washington, and have apartments at Sixteenth and M streets. They went abroad two months ago to visit Miss Eddy's brother, Mr. Spencer Eddy, of the American Embassy at Berlin. It is said that originally it was intended that the marriage should be solemnized quietly at the Eddy home in Chicago late in June, but the plans were changed, and now, it is understood, the ceremony will occur abroad.

Senator Beveridge will sail to-morrow for Europe.

Miss Eddy is an accomplished beauty, well known in society of London, Paris, and Berlin, as in Chicago, Washington, and New York.

The wedding of Miss Corinne Douglas Robinson, daughter of Mr. and Mrs. Douglas Robinson, and niece of the President, to Dr. George H. Draper will probably take place this autumn at Henderson Home, the historic estate of the Robinsons north of Richmond Springs, N. Y., overlooking the picturesque Mohawk Valley. Mr. and Mrs. Robinson, with Miss Robinson, are expected at Henderson the latter part of this month. They have just returned from a trip to Jamestown, whither they accompanied the President, and are at present at West Orange, N. J.

Henderson Home, their country place, was secured by the Robinson family from the Hendersons, upon which family the estate was entailed, beginning with letters patent for the land granted to Dr. James Henderson, a surgeon in the British army, by Queen Anne.

The Russian Ambassador and Baroness Rosen, who leave shortly for Magnolia, Mass., will not return to Washington in the autumn, as they sail in October for Europe to spend the early winter in St. Petersburg. They are deferring their annual visit until later this year, that their young daughter, Baroness Elizabeth, may participate in the social gayeties. She will be presented at court early in the winter.

It is more than possible that the marble residence of Mr. and Mrs. Lutz Anderson will be occupied next season by the new Senator from Colorado; for Mr. Guggenheim is negotiating for the lease of the Massachusetts avenue palace, and it is considered likely that Andersons will come to some agreement with the smelter magnate, since, for their short stays in Washington, so large a house is not needed, and they consider their country place, at Brookline, their home. Besides that, it is said that the Andersons find the huge house something of a white elephant.

The engagement is announced of Mrs. F. R. Bernard to Maj. Joseph T. Crabbs. Owing to the delicate health of Mrs. Bernard's mother, Mrs. Camp, who makes her home with her daughter, the wedding, which will take place early in July, will be very quiet.

Count Hatzfeldt, of the German Embassy, left Washington yesterday for a short stay in Texas. Upon the return of the Ambassador and the Baroness von Sternburg from Europe the first of next month, they will go at once to the summer quarters in Dublin, N. H., where Count Hatzfeldt will be established by that time with the embassy staff.

Maj. Koerner, military attaché of the German Embassy, and Mme. Koerner will leave Washington Tuesday for New York, and sail Thursday for Europe.

The Costa Rican Minister and Mme. Calvo returned to their home in this city Saturday from West Point, where they were to be present at the graduation exercises of the Academy. Their son, Senor Arthur Calvo, was a member of this year's class of graduates.

Former Senator and Mrs. John B. Henderson are preparing to close Boundary Castle, their house here, and leave for Bar Harbor, where they will spend the summer. Mr. and Mrs. John B. Henderson, Jr., have been established at their summer quarters in Maine for some time.

Gen. and Mrs. Anson Mills will leave Washington July 1 for Bass Rocks, near Gloucester, Mass., where they will summer.

Mrs. Benjamin H. Warder and Miss Alice Warder, who have been visiting Mr. and Mrs. Ralph Ellis at Shingle Farm, Long Island, will be at Newport the greater part of the summer, though they contemplate sailing for Europe toward the end of the season.

Mr. and Mrs. Henry May have settled on Beverly Farms, Mass., for their summer quarters. Miss Isabel May will be with her parents the most of the summer, but early in the season will go to Newport, to be the guest of Mrs. George W. Vanderbilt.

Mrs. John Cropper will be among the Washingtonians sailing for Europe July 1.

Miss Lilian Chew, the younger of the two very attractive daughters of Mr. John Chew, returned from boarding school recently and joined her grandmother, Mrs. Tittian J. Coffey, and de-

partate sister, Miss Evelyn Chew, at their home in K street. They will leave Wednesday for Manchester-by-the-Sea, where they will stay for the next two months.

Mrs. Robert Hinkley will leave the middle of this week, to take possession of her cottage at Cazenovia.

Mrs. Hoes, wife of the Rev. R. R. Hoes, chaplain, U. S. N., will leave Washington the first of the month, accompanied by her mother and sister, Mrs. and Miss Gouverneur, for Jamestown, Va., where they have taken a cottage for the summer months. Mrs. Hoes having been ordered to Norfolk for duty.

Gen. and Mrs. W. F. Randolph and the Misses Randolph will leave here early in July for York Harbor, Me.

Mrs. Arthur Lee, after spending two weeks in New York, returned yesterday to Graceland, their home at Elkins, W. Va.

Mrs. Elkins is entertaining Mrs. Dunlop, wife of Capt. Robert H. Dunlop, U. S. M. C., who came up with her from Hampton Roads Friday evening. Capt. Dunlop is stationed on the Kearsarge, which has gone from Hampton Roads to the League Island Navy Yard.

Miss Margaret Michie, daughter of Captain and Mrs. R. E. L. Michie, left Washington last week to visit friends at Easton, Pa., New York, and West Point, before joining her mother in July at Lake George, where they will stay until they sail for Europe, in August.

Mr. and Mrs. Thomas B. Hutchinson will leave this week with a party of friends and motor to Magnolia, where they expect to spend the summer.

Among the Washingtonians who will spend the summer at Manchester, Mass., are Mr. and Mrs. William J. Boardman and Miss Boardman, Mr. and Mrs. William A. Slater and Miss Slater, and Mr. and Mrs. Nathaniel Simpkins and their family.

Miss Padelford, of Stoneleigh Court, was hostess at a box party Friday evening at the Columbia Theater, when her guests were Misses Esther Denny, Marion Leuter, and Evelyn and Lillian Chew. Mrs. Goldwin Ordway was chaperon.

Mrs. Henry Wells and Miss Wells, who have been spending the past week at Port Monroe, have returned to their home, in R street.

Mrs. D. C. Bell and Miss Alleen Bell, who have occupied an apartment at Stoneleigh Court this winter, went yesterday to Chevy Chase Inn, where they will spend the summer.

Mrs. Bulmer, wife of Lieut. Roscoe C. Bulmer, has left to visit her mother, Mrs. Charles Poor, at her country place, at Skaneateles, N. Y.

Invitations have been issued by Mrs. Mary J. Speake for the marriage of her daughter Marion to James Edward West, one of the organizers of the Washington Playgrounds Association. The wedding will take place at the Mount Pleasant Congregational Church at 5 o'clock, Wednesday, June 19. The couple will be at home after August 1, at 1343 Clifton street.

Three dramatists, French, English, and American, are writing plays for Miss Olga Nethersole, all of which she hopes to produce in America next season, in addition to one of Ibsen's dramas which she expects to add to her repertoire sometime near the holidays.

The joint city attorneys of Montreal, Canada, have given a decision to the effect that the city council has the right, without asking permission from the federal or provincial government, to appoint a censor of plays. Such an official will be immediately appointed in response to a request from Archbishop Bruchet, the head of the Catholic archdiocese of Montreal.

### CHURCH CELEBRATES

#### Episcopal Congregations Observe Communion.

#### SPECIAL PRAYERS ARE READ

Dr. McKim Quotes John Smith's Account of the Ceremony of 300 Years Ago—Growth of Anglican Church Is Outlined—Services Conducted by All Pastors of the Diocese.

Services commemorative of the first holy communion held at Jamestown 300 years ago were celebrated in all of the Episcopal churches in this city yesterday, by order of Right Rev. Henry Yates Satterlee, bishop of the diocese. This anniversary marks the third century since the communion in the Anglican rite was given by Rev. Robert Hunt, on the third Sunday after Trinity, June 25, 1607.

Under an old sail stretched between three or four trees, which sheltered about 150 people, the hardy settlers worshiped with their weapons by their side, for any moment they might be disturbed by the war whoop of the savage. It was the planting of the Episcopal Church in America, from which small beginning a great power for good has grown, having its representatives and its missions in almost every country in the world.

#### Reads John Smith's Account.

Dr. Randolph McKim, whose long study of church conditions in America has made him an authority on that question, preached a historical sermon at the Church of the Epiphany, telling of the trials and difficulties that beset the early settlers. He mentioned the starvation, the perils, and the pestilence which depleted their ranks, and which threatened for a time to overcome them. In speaking of their religious worship, he read John Smith's account, as follows:

"We did hang an awning (which is an old sail) to three or four trees to shadow us from the sun; our walls were rails of wood, our seats unworked trees, our pulpit a bar of wood nailed to two neighboring trees. This was our church till we built an homely thing like a barn, set upon crutches covered with raft, sledge, and earth—yet we had our daily common prayer morning and evening, every Sunday two sermons and every three months the holy communion till our minister died. But our prayer daily with an homily on Sundays we continued two or three years till more preachers came."

Two special prayers, prepared by one of the prominent clergymen, were read in all the churches in which thanks were given for the protection and grace shown on the church, and particularly to their forefathers at Jamestown.

#### Services at Other Churches.

At Christ Church, Georgetown, Rev. James Blake delivered the anniversary sermon, while at St. Mark's, besides the sermon, songs of thanks were sung, with a choir of adult male voices. At St. Paul's Church, Rev. Alfred Harding delivered the sermon, while Rev. Richard P. Williams addressed the congregation at Trinity.

#### BONDS WORTH \$20,000 GONE

#### Securities Disappear While in Transit from London to New York.

Marine Insurance Broker Believes Package May Have Been Wrongly Addressed.

New York, June 16.—Chubb & Sons, marine insurance brokers, of 7 William street, reported to the postal authorities to-day that forty-five 6 per cent gold bonds of the Guayaquil and Quito Railroad Company, with an aggregate value of \$20,000, had either been lost or stolen in transit from London.

They were being shipped to a New York bank from its London branch, and according to cable advices the certificates were posted on the steamer Hamburg-American Victoria, of the Hamburg-American Line, which arrived in New York eight days ago. The bonds are negotiable.

Hendon Chubb, when seen at his home in East Orange to-day, said he hoped to recover the bonds, despite the fact that they were long overdue. He thought it possible, he said, that they might have been faultily addressed or possibly sent by mistake to a different agent.

"Then again, they may have been stolen," said Mr. Chubb. "This was the case seven months ago, when Redmond & Co., bankers, missed \$10,000 worth of bonds, which it afterward discovered had been stolen in transit between Paris and Cherbourg. By a diligent co-operation on the part of the French police we succeeded in recovering nearly all of the paper."

"Immediately upon learning of the overdue Guayaquil bonds we cabled our London office. Every effort is now being made by the authorities, both abroad and here, to locate the missing valuables."

Point for the Advertiser.—The newspaper that goes into the homes is the newspaper that brings advertising results. More people here by thousands are reading The Washington Herald than ever before read a morning newspaper at the Capital.

#### DISCUSSES OPPORTUNITY.

#### Dr. Kent Preaches at People's Church on Sociological Problem.

Is the "way to Utopia" over the road of higher character and nobler incentive, or over the road of better physical conditions for the laborer? This question was discussed by Dr. Alexander Kent before the People's Church yesterday morning. The speaker agreed with a recent critic of socialism, the single tax, and other radical movements that "two things are everywhere needed to hasten the progress of mankind—larger opportunity and nobler incentive; but Dr. Kent claimed that under the present industrial regime opportunity is destined to grow less and less, and that the nobler incentives are crushed out in the competitive struggle for wages and profits.

"To recommend a neighbor for a job that you need and would like to have for yourself, simply because his need is greater than yours, is to act on a nobler incentive," said the speaker. "But under the system where jobs are scarcer than men it is not the practical thing to do, and your family and your neighbor's would probably regard you as a fool if you did it. In order to act on the nobler incentive, and at the same time do our duty by those dependent upon us, we must have a system which keeps the doors of opportunity wide open, and which affords employment to every one suited to his or her gifts."

#### EMPLOYEES PLAN OUTING.

#### Woodward & Lothrop Clerks' Regular Excursion To-morrow.

To-morrow the members and friends of the Woodward & Lothrop Employees' Relief Association will go on their seventeenth annual outing. The steamer Charles Macalester has been chartered for the trip to Marshall Hall, and the members of the several committees who have the affair in charge are using every effort to make this excursion the most successful in the history of the association.

There will be music, dancing, bowling, and all the amusements that go to make an affair of this kind enjoyable.

Aside from the pleasure of going and having a jolly good time, one can feel that it is also helping a worthy cause by patronizing this excursion. The object and purpose of the association is for the betterment and welfare of all its members and for mutual assistance in time of sickness and death. From a small beginning it has grown until its membership includes a large majority of the employees of the establishment.

Tickets for the excursion may be obtained from any of the Woodward & Lothrop employees. The proceeds of the excursion will go to the general fund.

The officers and members of the executive board are: George R. Porter, president; R. O. Mullikin, first vice president; H. Goodrich, second vice president; Charles M. Keeler, treasurer; George D. Osterman, recording secretary; L. H. B. Robinson, financial secretary; Mrs. M. Johnson, Mrs. M. G. Jones, R. B. Judd, Miss M. Gahan, Miss L. Stevens, and L. Fennell.

#### SILVER BAY, ON LAKE GEORGE, WHERE

numerous young people's societies hold their annual conferences and institutes, was the chief topic at a meeting in the lobby of the Young Men's Christian Association yesterday afternoon. The meeting was in the interest of the International Young People's Missionary Movement, and Harry W. Arnold, chairman of the local committee, presided. Albert M. Chesley, director of boys' work and assistant in the athletic work at Silver Bay, gave an illustrated lecture, pointing out the beauties of the place. John B. Slemman, Jr., who has recently returned from the Orient, where he traveled with S. W. Woodward in the interest of the interdenominational movement, told of his trip and stated that he had met Secretary Taylor of New York, who will lecture at Silver Bay on the result of his world wide investigations, at the meeting to be held there August 8.
